

VILLAGE OF HARTFORD

AGREEMENT FOR GARBAGE AND REFUSE HAULING

The undersigned agrees to pay the Village of Hartford such sums as may become due from the undersigned for the hauling and removing of trash by the Village. In the event, upon the submission of a bill for such trash removal, the undersigned fails or neglects to pay said bill in due course, then such billable amount may be added to the water bill submitted to the undersigned. Failure to pay the garbage and refuse hauling bill and the water bill when so billed may then result in the water supply to the undersigned being stopped until all charges are paid in full.

In addition to the fees for usage of the dump truck, set forth below, the undersigned agrees to pay the full dumping fee as determined by the Landfill. The Village shall submit the dumping fee bill to the resident within **fourteen (14) days** of receipt.

Any customer not having a water account with the Village shall be required to deposit cash in the amount of **\$100.00** with the Village to insure payment for trash hauling. The deposit can be set off by the Village to collect amounts due. The deposit shall be returned to the resident within **thirty (30) days** after receiving such payment for the said dumping fee.

The undersigned further agrees to hold harmless the Village and/or any employees thereof from any damage or other injury that may result from actions of the Village, its equipment or employees in removing such waste material and trash.

No construction materials, hazardous wastes and materials, bulk liquids, lead-acid batteries, potentially infectious medical wastes, used motor oil, white good appliances and components, whole tires, television consoles, electronic keyboards, video game consoles, digital converter boxes, computer monitors, fax machines, electric mice, videocassette recorders, printers, scanners, small scale servers, portable digital music players, satellite receivers, DVD players, yard waste, refrigerators, freezers, air conditioners, water heaters, tires or batteries will be picked up.

The undersigned has read this document and understands its terms.
