The Illinois Vehicle Code, **Illinois Compiled Statutes, Chapter 625, Section 11**, entitled "**Rules of the Road**", as passed, approved and amended by the Illinois General Assembly is hereby adopted by the Village and the provisions thereof shall be controlling within the corporate limits of the Village except for the following changes, deletions and omissions:

- (1) Change 11-904(a) to read: "Preferential right-of-way at an intersection may be indicated by stop or yield signs as authorized by this Code."
- (2) Change 11-1416(a) to read: "Any person who shall willfully and unnecessarily attempt to delay, hinder or obstruct any other person in lawfully driving and traveling upon or along any highway within this State or who shall offer for barter or sale, merchandise on said highway so as to interfere with the effective movement of traffic shall, upon conviction, be guilty of a violation of this Code."

### **24-4-2 DRIVING RULES.**

(A) **Careless Driving.** It shall be unlawful to operate a vehicle in the Village in a careless manner so as to interfere with the safe or lawful operation of any other vehicle or so as to interfere with or to injure, damage, or endanger persons or property engaged in the lawful use of the street.

(B) **Drag Racing.** No person shall participate within the City in drag racing as such activity is defined by **625 ILCS Sec. 5/11-504.**

(C) **Fleeing or Attempting to Elude Police Officer.** Any driver or operator of a motor vehicle who, having been given a visual or audible signal by a police officer directing such driver or operator to bring his vehicle to a stop, willfully fails to or refuses to obey such direction, increases his speed, extinguishes his lights or otherwise flees or attempts to elude the officer is guilty of a violation of this Chapter. The signal given by the police officer may be by hand, voice, siren, red or blue light. Provided, however, the officer giving such signal shall be in police uniform and if driving a vehicle, such vehicle shall be marked showing it to be an official police vehicle.

(D) **Unlawful Possession of Highway Sign or Marker.** Traffic control signals, signs or markers owned by the City shall be possessed only by the City's employees, police officers, contractors, or their employees engaged in highway construction, contract or work upon the roadways or public ways approved by the City. No person shall possess a traffic control signal, sign or marker owned by the City except as provided in this paragraph without the prior written authority of the City. (E) **Special Speed Limitations on Elevated Structures.** No person shall drive a vehicle over any bridge or other elevated structure constituting a part of a highway at a speed which is greater than the maximum speed which can be maintained with safety to such bridge or structure when such structure is sign-posted.

(H) **Failure to Reduce Speed.** A vehicle shall be driven upon the streets and alleys of this Village at a speed which is reasonable and proper with regard to traffic conditions and the use of the street or alley. The fact that the vehicle does not exceed the applicable maximum speed limit does not relieve the driver of the duty to decrease speed when approaching and crossing an intersection or when special hazard exists with respect to pedestrian or other traffic or by reason of weather or highway conditions. Speed must be decreased as may be necessary to avoid colliding with any person or vehicle on or entering the highway in compliance with legal requirements and the duty of all persons to use due care.

(I) **Traffic Lane Usage.** Whenever any roadway within the Village has been divided into **two (2)** or more clearly marked lanes for traffic, a vehicle shall be driven as nearly as practicable entirely within a single lane and shall not be moved from such lane until the driver has first ascertained that such movement can be made with safety.

**24-4-7 EXCESSIVE NOISE - SQUEALING TIRES.** No operator of a motor vehicle shall cause the wheels of such vehicle to spin violently, thereby causing an unreasonably loud or excessive noise. **(See 625 ILCS Sec. 5/11-505)**

(B) The abandonment of a vehicle or any part thereof on private or public property, other than a highway, in view of the general public, anywhere in this Village is unlawful except on property of the owner or bailee of such abandoned vehicle. A vehicle or any part thereof so abandoned on private property shall be authorized for removal, by the Village, after a waiting period of **seven (7) days** or more, or may be removed immediately if determined to be a hazardous dilapidated motor vehicle under Section 5/11-40-3.1 of the Illinois Municipal Code. A violation of subsections (A) or (B) of this Section is subject to penalties as set forth under **Section 1-1-20** of this Code.

(C) A towing service may begin to process an unclaimed vehicle as abandoned by requesting a record search by the Secretary of State up to **ten (10) days** after the date of the tow, or any later date acceptable to the Secretary of State. This paragraph shall not apply to vehicles towed by order or authorization of the Village or a law enforcement agency. **(625 ILCS 5/4-201)**

### **24-7-2 ABANDONED, LOST, STOLEN OR UNCLAIMED VEHICLE NOTIFICATION TO LAW ENFORCEMENT AGENCIES.**

When an abandoned, lost, stolen or unclaimed vehicle comes into the temporary possession or custody of a person in this Village, not the owner of the vehicle, such person shall immediately notify the municipal police when the vehicle is within the corporate limits of any Village having a duly authorized police department, or the State Police or the county sheriff when the vehicle is outside the corporate limits of the Village. Upon receipt of such notification, the municipal police will authorize a towing service to remove and take possession of the abandoned, lost, stolen or unclaimed vehicle. The towing service will safely keep the towed vehicle and its contents, maintain a record of the tow as set forth in **625 ILCS 5/4-204** for law enforcement agencies, until the vehicle is claimed by the owner or any other person legally entitled to possession thereof or until it is disposed of as provided in this Code. **(625 ILCS 5/4-202)**

### **24-7-3 REMOVAL OF MOTOR VEHICLES OR OTHER VEHICLES; TOWING OR HAULING AWAY.**

(A) When a vehicle is abandoned on a highway in an urban district **ten (10) hours** or more, its removal by a towing service may be authorized by a law enforcement agency having jurisdiction.

(B) When a vehicle is abandoned or left unattended on a highway other than a toll highway, interstate highway, or expressway, outside of an urban

district for **twenty-four (24) hours** or more, its removal by a towing service may be authorized by a law enforcement agency having jurisdiction.

(C) When an abandoned, unattended, wrecked, burned or partially dismantled vehicle is creating a traffic hazard because of its position in relation to the highway or its physical appearance is causing the impeding of traffic, its immediate removal from the highway or private property adjacent to the highway by a towing service may be authorized by a law enforcement agency having jurisdiction.

**24-7-4 POLICE TOWS; REPORTS, RELEASE OF VEHICLES, PAYMENT.** When a vehicle is authorized to be towed away as provided in **Section 24-7-2** or **24-7-3**:

(A) The authorization, any hold order, and any release shall be in writing, or confirmed in writing, with a copy given to the towing service.

(B) The police headquarters or office of the law officer authorizing the towing shall keep and maintain a record of the vehicle towed, listing the color, year of manufacture, manufacturer's trade name, manufacturer's series name, body style, Vehicle Identification Number, license plate year and number and registration sticker year and number displayed on the vehicle. The record shall also include the date and hour of tow, location towed from, location towed to, reason for towing and the name of the officer authorizing the tow.

(C) The owner, operator, or other legally entitled person shall be responsible to the towing service for payment of applicable removal, towing, storage, and processing charges and collection costs associated with a vehicle towed or held under order or authorization of the law enforcement agency. If a vehicle towed or held under order or authorization of a law enforcement agency is seized by the ordering or authorizing agency or any other law enforcement or governmental agency and sold, any unpaid removal, towing, storage, and processing charges and collection costs shall be paid to the towing service from the proceeds of the sale. If applicable law provides that the proceeds are to be paid into the treasury of the appropriate civil jurisdiction, then any unpaid removal, towing, storage, and processing charges and collection costs shall be paid to the towing service from the treasury of the civil jurisdiction. That payment shall not, however, exceed the amount of proceeds from the sale, with the balance to be paid by the owner, operator, or other legally entitled person.

(D) Upon delivery of a written release order to the towing service, a vehicle subject to a hold order shall be released to the owner, operator, or other legally entitled person upon proof of ownership or other entitlement and upon payment of applicable removal, towing, storage, and processing charges and collection costs. **(625 ILCS 5/4-204)**

**24-7-5 RECORD SEARCHES FOR UNKNOWN OWNER.**

(A) When a law enforcement agency authorizing the impounding of a vehicle does not know the identity of the registered owner, lienholder or other legally entitled person, that law enforcement agency will cause the vehicle registration records

of the State of Illinois to be searched by the Secretary of State for the purpose of obtaining the required ownership information.

(B) The law enforcement agency authorizing the impounding of a vehicle will cause the stolen motor vehicle files of the State Police to be searched by a directed communication to the State Police for stolen or wanted information on the vehicle. When the State Police files are searched with negative results, the information contained in the National Crime Information Center (NCIC) files will be searched by the State Police. The information determined from these record searches will be returned to the requesting law enforcement agency for that agency's use in sending a notification by certified mail to the registered owner, lienholder and other legally entitled persons advising where the vehicle is held, requesting a disposition be made and setting forth public sale information. Notification shall be sent no later than **ten (10) business days** after the date the law enforcement agency impounds or authorizes the impounding of a vehicle, provided that if the law enforcement agency is unable to determine the identity of the registered owner, lienholder or other person legally entitled to ownership of the impounded vehicle within a **ten (10) business day period** after impoundment, then notification shall be sent no later than **two (2) days** after the date the identity of the registered owner, lienholder or other person legally entitled to ownership of the impounded vehicle is determined. Exceptions to a notification by certified mail to the registered owner, lienholder and other legally entitled persons are set forth in **625 ILCS 5/4-209**.

(C) When ownership information is needed for a towing service to give notification as required under this Code, the towing service may cause the vehicle registration records of the State of Illinois to be searched by the Secretary of State.

The written request of a towing service, in the form and containing the information prescribed by the Secretary of State by rule, may be transmitted to the Secretary of State in person, by U.S. Mail or other delivery service, by facsimile transmission, or by other means the Secretary of State deems acceptable.

The Secretary of State shall provide the required information, or a statement that the information was not found in the vehicle registration records of the State, by U.S. Mail or other delivery service, facsimile transmission, as requested by the towing service, or by other means acceptable to the Secretary of State.

(D) The Secretary of State may prescribe standards and procedures for submission of requests for record searches and replies via computer link.

(E) Fees for services provided under this Section shall be in amounts prescribed by the Secretary of State under Section 3-821.1 of the Illinois Municipal Code. Payment may be made by the towing service using cash, any commonly accepted credit card, or any other means of payment deemed acceptable by the Secretary of State. **(625 ILCS 5/4-205)**

**24-7-6 IDENTIFYING AND TRACING OF VEHICLE.** When the registered owner, lienholder or other person legally entitled to the possession of a vehicle cannot be identified from the registration files of this State or from the registration files of a foreign state, if applicable, the law enforcement agency having

custody of the vehicle shall notify the State Police, for the purpose of identifying the vehicle owner or other person legally entitled to the possession of the vehicle. The information obtained by the State Police will be immediately forwarded to the law enforcement agency having custody of the vehicle for notification purposes as set forth in **Section 24-7-5** of this Code. **(625 ILCS 5/4-206)**

**24-7-7      RECLAIMED VEHICLES; EXPENSES.**

(A) Any time before a vehicle is sold at public sale or disposed of as provided in **Section 24-7-8**, the owner, lienholder or other person legally entitled to its possession may reclaim the vehicle by presenting to the law enforcement agency having custody of the vehicle proof of ownership or proof of the right to possession of the vehicle.

Notice of the time and place of the sale shall be posted in a conspicuous place for at least **ten (10) days** prior to the sale on the premises where the vehicle has been impounded. At least **ten (10) days** prior to the sale, the law enforcement agency where the vehicle is impounded, or the towing service where the vehicle is impounded, shall cause a notice of the time and place of the sale to be sent by certified mail to the registered owner, lienholder, or other legally entitled persons. (B) **Old Car.** When an abandoned vehicle of more than **seven (7) years** of age is impounded as specified by this Article, or when any such vehicle is towed at the request or with the consent of the owner or operator and is subsequently abandoned, it will be kept in custody or storage for a minimum of **ten (10) days** for the purpose of determining the identity of the registered owner, lienholder, or other legally entitled persons and contacting the registered owner, lienholder, or other legally entitled persons by the U.S. Mail, public service or in person for a determination of disposition; and an examination of the State Police stolen vehicle files for theft and wanted information.
